OFFICIAL PAPER OF THE CITY

Subscription, \$1.00 per year.

Advertising rates furnished on application. The Value of the Tropico Interurban Sentinel as an advertising medium is obvious when its field at the head of the San Fernando Valley is considered. The nature of the paper, the character of its subscribers and the class of advertising it carries tell the whole story.

WATER

It is time Tropico's city trustees took some action looking to the acquirement of Tropico's water system. At the meeting of the Board last Tuesday night they were compelled to approve the bills of the Company for fire hydrant service amounting to \$76.50 per month, the Railway Commission having approved the charge after the reduction of the minimum on the ground that the Company is entitled to collect the equivalent of a fair rate of interest on the estimated value of their plant. As it all comes out of Tropico, it is hard to have to hand out \$300 for something we have not used. The rational remedy and the only remedy is for Tropico to take over the water system. Though the water company, as represented by Mr. Brand, values the plant at \$100,000, it was at one time offered to Tropico for \$55,000, and when its reorganization and capitalization came up for approval, the Commission refused to permit it to issue stocks and bonds to exceed \$65,000. The Water Company wants to get out. It wants to sell to Trop-

TROPICO Interurban SENTINEL

ico, to Glendale, or to Los Angeles. For that reason if Tropico does not act, it is ready to encourage any annexation scheme. To Tropico it gives the preference as a buyer and the President of the Board of Trustees holds Mr. Brand's written agreement to sell to this city for \$55,000.

No Cost to Tax Payers

It would not cost the tax payers one cent of money for they would be acquiring an income property which would pay for itself inside of a few years and then yield a surplus to be applied to the reduction of the expense of city government. Municipal bonds of that character are at a premium, and in bonding for \$55,000 the city would undoubtedly realize a considerably larger sum. The income from the system according to the figures given the Sentinel, was in 1914 \$13,607. In 1915 it was \$13,893. Returns for 1916 had not been compiled at the time Mr. Brand was interviewed.

With the organization the city already has, it should be possible to operate the plant for an annual outlay of \$3000. This should leave in the neighborhood of \$10,500 annually for interest on the debt, retirement of bonds, extensions and betterments. Interest on the bonds the first year would be in the neighborhood of \$3000 and thereafter would steadily decrease as bonds were retired, which would leave \$5000 for the retirement of bonds and \$2000 for extensions and betterments. The Water Company as a private corporation pays heavy taxes from which the city would be free. It also has to employ a clerk to compile statistics required by the State Railway Commission, which under municipal ownership would not be demanded.

Valuable Property

And what property would Tropico acquire through its purchase? Eighteen inches of water which at the common valuation of \$2000 an inch would be worth \$36,000; one acre of elevated land suitable for a reservoir site; two lots and a well and pumping plant on San Fernando Road purchased at an original cost of about \$20,000, and a distributing plant. Tropico cannot get badly stung on a deal of this kind. Parts of the distributing system need replacement, but there is enough that is good to bring the valuation well within the \$55,000 price. When Tropico can se-

cure the control of its water supply and its distributing system without a dollar of extra taxation, she should not hesitate a minute.

Helpless Without Purchase

If the Water Company is reorganized and bonded for \$65,000 water rates will have to go up to pay interest on that amount, and Tropico will be powerless to help herself. Glendale stands ready to buy the plant any old time she can get a chance and to that end is said to be fomenting another agitation for annexation. Should annexation be accomplished, Tropico would then be organized as an assessment district to pay for the system at a much higher price, and Glendale, the larger unit, would control the water, its distribution and rates. The same thing would prove true in the event of annexation to Los Angeles. If the plant goes into the control of any other municipality or private corporation, Tropico citizens lose control of the revenue, lose control of water and rates, and in the end pay for the system just the same at a higher price.

Trustees Should Act

We want our own sweet mountain water and we want to control its distribution. Why not accept the offer of the Water Company and vote to take over this income proposition and let it pay for itself and then yield us an annual revenue which will enable us to serve water to our citizens at a nominal rate or to make improvements which otherwise we could not afford? It is the best proposition which has been put up to Tropico and it will not be open long. Our trustees should act and without delay.

Come and enjoy yourself at the Indoor Carnival.

The Chamber of Commerce will meet Thursday evening, March 8th.

Mr. J. W. McMillan is the guest of his sister, Mrs. F. Anderson of Los Angeles.

Beautiful, artistic hats can be had at the Edith May establishment in the Brack Building, and also a course of instruction in making hats.

Mrs. D. Pocock of Long Beach was the guest of her nephew, Mr. Charles on Monday.

The Thursday Afternoon Club gives its "Gentlemen's Night" this evening at its club quarters in the City Hall. Though there will be a short program of music and speeches, it will chiefly be a social affair and refreshments will be served. Members of the civics and hospitality committees will act as hostesses and Mrs. Ella Richardson will have charge of the program.

NEW BOOKS

Five new books have just been added to the Tropic Library as follows: "Before Adam," by Jack London; "The Training of the Red Butte Western," by Francis Lynde; "Rugles of Red Gap," by Wilson; "Santa Claus' Partner," by Thomas Nelson Paige; "Tom Swift in Captivity," by Appleton.

NOW A PROFESSIONAL DANCER

Little Merna Kahler, the talented pupil of Mrs. Pearl Keller, whose dancing has delighted so many Tropic audiences, is now a stage professional. Last week Mr. Edward Milne, general manager of the entire Pantages Circuit, who is a friend of Mrs. Keller, came down from Seattle and visited the Keller School. He was greatly pleased with the work of her pupils and so delighted with Merna that he booked her for the Pantages Circuit. Her mother and brother are to travel with her, and Merle will occasionally be her dancing partner. The little girl, who is but eight years old, is a wonderfully clever and attractive child. She and Merle were the leading attractions at the big masked ball given by the Ad Club Saturday night at the Shrine Auditorium, Carl Walker of Pantages putting them on the program.

Tropico hardly realizes what it has in the Keller School where talented pupils can not only be fitted for professional work, but placed when they are ready through the stage acquaintance of Mrs. Keller, who was a professional stage dancer for a number of years prior to her marriage, and who has always kept in touch with the managers.

The next big event at Union High is the Oratorical Contest which will take place in about two months. Students are already making preparations for it. Each class will have a representative, and the best one of the four will be awarded \$20 in gold, and will be entitled to represent the school in other contests. This has been an annual event for seven years and Tropic has furnished three of the seven champions, Dwight Stephenson winning in 1911, Harold Story in 1912, and Jennie Boring in 1913. Last years' winner was Ethel West.

Mrs. Albert Harris and Mrs. Charles of Perlita avenue Tract gave a dinner Wednesday at the Charles home in honor of Mr. and Mrs. H. Colby. Covers were laid for twenty and a color scheme of green and pink was carried out in floral decorations. The dinner was in celebration of the fifth anniversary of the marriage of Mr. and Mrs. Colby and they received many beautiful gifts.

CARD PARTIES

The bad weather last week seriously interfered with the pleasant plans of the Ways and Means Committee of the Thursday club and also with the Playground Committee, both having arranged for card parties. The first function was Tuesday afternoon at the home of Mrs. Edwin Virden, which had been made very attractive with flags and flowers in honor of the event. Though it rained steadily, seven tables were filled. Mrs. O. P. Snyder won the first prize, the second going to Mrs. Bales of Glendale, while Mrs. Tyrrell of Los Angeles received the "Consolation."

Wednesday evening, when a Five Hundred party was given as a playground benefit in the Yeomen Hall on San Fernando Boulevard, the weather was still unpleasant, but twenty-six card lovers came, notwithstand-

ing, and a very pleasant evening was spent. The first prizes went to Mr. Virden and to Mrs. Roberts, the ladies' second prize being carried off by Mrs. Heide. Consolation prizes were bestowed on Mr. Danner and Mrs. Virden.

HOME OF THE NATIVE PALM

Mrs. Louise Purnell, Mrs. Mayme Pollock, Mrs. Mabel Hutchings and Mr. Howard Bradley recently motored to Palm Springs Canyon, one of the most beautiful canyons in Southern California, where the only native palms grow. Some places were a perfect jungle of palms. In others the trees varied from 75 feet in height to tiny things just peeping through the ground. Having been told that no water would be found there, Mrs. Purnell carried in a collection of canteens well filled with aqua pura, but

found the creek running full, and it will continue to flow for three months, or until it goes dry in July. Their camping place, about seven miles beyond Palm Springs resort, was dry and warm, and while sunning themselves they witnessed a snowfall on San Jacinto mountain, near by. After quitting their auto they climbed on foot over the divide and found a still more wonderful and beautiful collection of palms on the other side and a hot spring bubbling through the earth. Mrs. Purnell is very enthusiastic over the trip and will gladly give information to others who desire to take it.

The Dawson Book Shop, 518 South Hill is in the market for second hand books of all kinds except school books. If telephoned they will call and make a price on lots large or small.

EASTERN STAR ENTERTAINS

Once a month the Glen Eyre Chapter of the Eastern Star entertains its members and their friends with an open meeting. This monthly affair came off Friday evening last and the mixed program was immensely enjoyed by the large audience which came out to be entertained. No less than 200 persons were present. Mrs. A. M. Beamon, Worthy Matron, presided and Mrs. Pulliam had charge of the program which included a duet by Mrs. John Allen Legge and Owen Emery, each contributing a solo in addition. Little Florence Rattray also sang "A Perfect Day," and for an encore "Coming Through the Rye." The little daughter of Mrs. Naudain gave a charming Spanish dance. Mrs. Pearl Keller and her pupil John Dewar did the Pavlowa gavotte, and her pupils Dorothy and Jessie Dutton gave their little song "Daddy Did a Wonderful Thing," and danced a gavotte. Tropico sent quite a delegation of members and their friends, the list including Mrs. D. H. Imler, Miss Cora Hickman, Mesdames Maxwell and Pollock,

Messrs. and Mesdames Wesley Bullis and C. W. Kimberly.

BIG MEETING OF POST AND CORPS

A big attendance filled the auditorium and banquet room of G. A. R. Hall last Friday at the all-day meeting of the Woman's Relief Corps. Covers were laid for one hundred dinner guests. An exceptionally good program included addresses by Rev. Snudden, pastor of the M. E. church of Glendale, and Comrade Clark, Senior Vice Commander of the Post. Rev. Henry sang, by special request, and Comrades Sanford and Goss contributed readings. A feature of special interest was an original poem by Mrs. Priscilla Howdyshel, treasurer of the Corps. At the afternoon session, under the "Good of the Order" call, talks were made by Miss Hickman on McKinley and Mrs. Story on Lincoln. The "eulogy of the flag" was given by Mrs. Pixley.

BOARD RULINGS DEFIED

Mr. Wesley Bullis, whose protests against the erection of a vegetable stand on Tropico avenue, near his own property were futile, in spite of the fact that the Council refused a permit for the structure, succeeded in putting the Board into something like a hole last Tuesday evening. Another application for a permit for a similar fruit stand on Brand boulevard was recently refused, and when the seeker undertook to defy the Council as the previous applicant had done, an officer of the city was sent to restrain the builder. Mr. Bullis is quite justified in asking why the Council reverses itself and permits one man to defy its rulings while another man in precisely the same case on another street is restrained from following his example.

PYTHIAN SISTERS CONVENTION

A round dozen of loyal Pythian Sisters went by trolley to Long Beach Monday to attend the District Convention of the order, at which about 200 delegates were present. The Santa Monica temple won the loving cup offered for the largest per cent of attendance. Tropico's delegation included: Mesdames Howe, Coleman, Hammond, Dutton, Hibbert, Minter, Cook, Peck, Anderson, Misses Amy Miller and Blanche Shea.

Tropico is to have a chance to enjoy a real old fashioned frolic at the Indoor Carnival next week.

MOVING TO IMPERIAL VALLEY

Mr. A. P. Werve, who has been operating a garage on San Fernando Road for several years, is making all arrangements to move Saturday or Sunday of the present week to Calipatra, Imperial Valley. An automobile will convey his family and a seven-ton truck will carry his household goods and equipment. He has bought forty acres all in cultivation and now in alfalfa, wheat and barley. He will build on the property and devote himself to farming though he will probably do some trucking on the side. Harry Jones goes with the Werves. Mr. Werve and his family will be missed in the community.

LOCAL HAPPENINGS

Miss Hope Armstrong is visiting in Colton and San Bernardino.

Miss Julia Goodsill visited friends in San Bernardino and took in the Orange Show.

There will be something doing every minute at the Indoor Carnival, March 7th and 8th at Yeomen Hall.

Rev. H. Goodsill of Palmer avenue celebrated his 78th birthday February 14th and in honor of the occasion a family dinner was given at the home of his son, J. G. Goodsill in South Pasadena. A red and green color scheme was carried out in the decorations, the dining room being canopied with asparagus fern and red hearts. A jolly family party enjoyed the happy occasion.

Mr. George M. Howe of Laurel avenue returned from a Los Angeles hospital Wednesday. He is making a fine recovery and expects to soon be quite well again.

The Presbyterian Ladies' Aid Society will hold an all-day meeting at the church, March 8th.

Mrs. Charles Wallace Kimberly and Mrs. George Henry will represent the Thursday Club at a reciprocity meeting of the Sierra Madre Woman's Club this week.

Mesdames Kimberly, Fry, Henry, Virden and Miss Myers were delegates from the Thursday Club to the Reciprocity Meeting for San Fernando Valley Clubs held last week by the Ebells of San Fernando.

Mrs. O. B. Spear and her son Leron Spear, left Tropic the first of the week for the Spear claim in the Imperial Valley near the Salton Sea. They expect to be gone for six months. Mr. Spear will remain to complete the Painter house on Acacia avenue and other work for which he has contracts. His younger son, Ralph, will stay with him.

On account of the weather, the Iowa picnic was postponed to Saturday, March 3rd, at Eastlake Park.

About sixty-five enthusiastic dancers attended the monthly party of the Yeomen Lodge last Friday evening and had a royal good time. Plans for the Carnival are maturing in a very satisfactory manner.

Mrs. Tom Ake, of Park avenue Tract, was in bed for several days with a bad attack of grippe.

Mr. and Mrs. Roy Downs of Wreneta, Ill., niece of C. C. Chandler, were visitors in the Chandler home Tuesday.

Admission free to the Indoor Carnival March 7th and 8th.

Mrs. Hazel Voulet was quite ill with a cold last week.

Mr. Edgar H. Fry is a busy man. He is president of the Tropic Christian Endeavor Society and therefore responsible in a way for collecting the funds needed to finance or to help to finance the big convention which is to be held in Glendale March 16th, and to which the societies of the county

are looking forward as a great event.

Mrs. Alexander, of 322 Blanche avenue, was hostess at a pretty affair last Wednesday when she entertained old friends from the east. It was a "Washington" luncheon with appropriate favors. The guest list included: Mrs. Charlotte Dean, Mrs. Strong and Miss Frances Heslet of Earlville, Illinois and Mrs. Ellen Eager of Excelsior Springs, Missouri.

Two boys of 13 and 15, who are under the guardianship of the Children's Home Finding society, of Los Angeles, undertook to have a little adventure, and see something of the world last Friday. They got as far as Tropic where Mr. Stadler learned their story and turned them over to Marshal Gould for the night. The boys had a good time tagging around with Fire Chief Fairfield Saturday morning, and later returned to Los Angeles with the superintendent of the society, who came after them.

Mr. and Mrs. J. R. Dickey of Chicago were guests last week of Mr. and Mrs. H. E. Fry. It was their first trip to California and they were so pleased with the country in spite of bad weather they plan, after a visit in Louisiana to return and make their permanent home here.

At the recent election in the Round Table Club, Dorothy Hobbs was made president, Edna Brown vice president and chairman of social committee, Esther Jones, secretary and treasurer. A meeting of the club will be held this week at the home of Katherine Hobbs, who will be hostess.

Mrs. Stephen Packer of 1462 Riverdale Drive, opened her home last Friday to the Tuesday Afternoon Club for a benefit luncheon the proceeds of which went to the club house building fund. Covers were laid for ninety. At the conclusion of the delicious repast, D. M. Plunkett of Los Angeles gave a food talk and Mrs. Plunkett the recipes used in the preparation of the dishes. Readings by Mrs. Kilfoil completed the program. Mrs. Packer was assisted in receiving by Mrs. J. F. Hearnshaw and Mrs. Van Oven.

Death came to Loretta Daley of La Bree Court, last Wednesday. It was not unexpected by her sorrowing friends as she has been an invalid for some time. Services were held at the Holy Family Catholic church in Glendale Friday morning, interment being made in Forest Lawn Cemetery.

Don't forget the Indoor Carnival at Yeomen Hall March 7th and 8th.

Mrs. Edw. Lynch of Glendale was hostess at a P. E. O. buffet luncheon for the Tropico Chapter last Friday, Mesdames Andrew Stephenson, Leigh Bancroft and E. F. Tholen, assisting. A business session followed which consumed so much time that the program prepared had to be cut. The election of officers will take place at the next meeting which will be held at the home of Mrs. Wesley Bullis.

Mrs. G. W. Bancroft of Cerritos avenue has been quite ill of grippe, but is recuperating.

Mrs. George Henry of San Fernando Boulevard was quite ill last week.

Misses Blanche Shea and Katherine Hobbs spent the week end at Redondo as guests of Ruth Rider.

There will be dancing both evenings of the Indoor Carnival.

Mrs. Marsh, formerly Miss Starr of Vassar avenue, Tropico, but now a resident of Los Angeles, is at Thornycroft Hospital and is the mother of fine twin boys. She and her babies are doing well.

Mr. Norton, the oil man, had a turn for the worse last week.

Hear the Tropico Band at the Indoor Carnival next week.

The Horton Shoe Company, which has the most attractive shoe parlors in Glendale, is not satisfied with building up a big trade in new foot wear, but is trying to meet all needs of its customers. To this end it has just put in a complete repair department in which old shoes are given a new lease of life. For particulars see the Horton ad. elsewhere in this issue.

Among the newcomers in Tropico are Mr. and Mrs. H. E. Sheugrue and family from San Francisco, who have

NEW HOSPITAL MANAGEMENT

The Sentinel is advised that Mr. and Mrs. Wright give up the Mission Hospital at 525 San Fernando Road today, and that the new lessees, Mrs. Grace M. Rottner and Doctor Baker take possession. They will be assisted by Mrs. Marian Luning, private secretary. They will thoroughly renovate the interior and furnish with birdseye maple, mahogany and Circassian Walnut. A formal opening of the institution under the name Mission Relax Home and Hospital will be announced later.

FLAG PRESENTATION

Friday (tomorrow) will be an important day at the Cerritos avenue school, for at 2 o'clock in the afternoon a beautiful flag will be presented to the school by the Woman's Relief Corps of the N. P. Banks Post. The presentation was set for last week in observance of Washington's birthday, but because of bad weather was postponed.

THE INDOOR CARNIVAL

Everything is ready for the big Indoor Carnival to be held Wednesday and Thursday evenings, March 7th and 8th. All the concession that go to make up a carnival will be there besides a lot of new ones, so there will be something doing all the time, including dancing and confetti battles both evenings.

Music will be supplied by the Busch Orchestra and the Tropico Band.

Tropico Yeomen are to be congratulated on having a committee made up of old showmen to handle this affair. This in itself assures a big success. Admission will be free.

P. T. A.

At 3:15 Friday P. T. A. will meet and by Mrs. Lee of Pasadena creation for Mothers." Music contributed by Dorothy Shaw. Social hour will follow.

In spite of the bad weather, the P. T. A. entertainment at Union High netted the association more than \$40.

MINSTREL SHOW

First nighters at the K. P. entertainments report a dandy minstrel performance with W. J. Hibbert as interlocutor, Jack Strathem and Joe Griffin as end men. The music was all good and the "City Trustees" farce was a scream. In it Joe Griffin personated the President of the Board, and Messrs. Berman, Peck and Van Wie were trustees, Mrs. Van Wie being the gossiping, complaining citizen who appears before the council.

The Illinois picnic comes off March 10 at Eastlake Park, or if it rains that day, one week later, or March 17th. It will be an all-day affair.

NEW HARDWARE STORE

Mr. L. L. Baker is busy installing new shelving at 115 San Fernando Road, where he will open a hardware store the early part of next week. Mr. Baker is one of Tropico's substantial citizens who has built a nice home on Brand boulevard. He has been a resident of the city for about five years and proposes to stay with it. The Sentinel voices the general sentiment in wishing him success in his mercantile venture.

AMUSEMENT CENTER

Members of the Epworth League of the Methodist church are going to do some fine work on their out-door recreation center. Between the church building and social hall they are going to put in a court for basketball, indoor baseball, and volley ball. The young men of the League will meet there next Saturday afternoon to grade and roll the ground. Electric light will be strung and in the evening the girls of the League will serve a luncheon to the workers who will complete the work by artificial light.

ALL DAY MISSIONARY MEETING

One of the most interesting meetings in its calendar of profitable events was held last Thursday by the Woman's Missionary Society of the Presbyterian Church. It was an all-day affair with a mid-day luncheon of which Mrs. Alexander had charge and which was served to about twenty-five guests. The tables were beautifully decorated with Washington favors. Mrs. Black had charge of the program. Mrs. Waugh and daughter of Pasadena, who lived for years among the Indians as the wife and daughter of an Indian Agent, gave accounts of their experiences and of the needs of the Indians. The officers, who have served during 1916 were all re-elected, as follows: Mrs. Merritt Ludden, president; Mrs. Frank Ashton, vice president; Mrs. Elder, secretary; Mrs. S. E. Brown, treasurer; Mrs. O. P. Rider, secretary of literature.

"Gentlemen's Night," the March 1st meeting of the Thursday Afternoon Club, which will be held in the evening in the City Hall, will be in charge of the civics and hospitality committees and it is safe to say that the program, the decorations and the refreshments will be all that they should be. It will be a get-acquainted, work-together social affair and promises to be a function that will be very much worth while.

**INSTANT ACTION SURPRISES
 MANY HERE**

This grocer's story surprises local people: "I had bad stomach trouble. All food seemed to sour and form gas. Was always constipated. Nothing helped until I tried buckthorn bark, glycerine, etc., as mixed in Adler-i-ka. ONE SPOONFUL astonished me with it's INSTANT action." Because Adler-i-ka flushes the ENTIRE alimentary tract it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICK-EST action of anything we ever sold.

TROPICO Interurban SENTINEL

TROPICO AT MASKED BALL

One of the most beautiful, artistic and costly designs at the Ad Club masque ball Saturday evening at Shrine Auditorium was designed by Rolland Benner of Tropico.

The design represented Uncle Sam presenting a basket of flowers to California, with compliments of the Broadway florist. The basket was made up of yellow daffodils with ferns of red Mexican ivy and smilax. The stripes in red and white carnations and the blue in corn flowers.

A large yellow silk chiffon bow decorated the handle of the basket.

In the basket was little Violet Benner, formerly of Tropico, with long curls, dressed in a beautiful yellow costume, and below this were the words "I love you California."

One one side of the basket stood Harold Benner dressed in bear costume, emblematic of California. On the other side the design of the basket was a beautiful striped satin Uncle Sam costume. The basket was lighted by red, white and blue electric bulbs.

Also flowers were sold by the Broadway florists from a booth, the proceeds going to the Ad Club.

The dancing of Merna and Merle Kahler from the Pearl S. Keller Dancing Academy, Tropico, was perfect.

MORNING APPOINTMENTS

Attention is called to the announcement made by Dr. C. Stuart Steelman, refracting specialist, of morning appointments at his home office, 1104 West Glendale. Tropico and Glendale are exceedingly fortunate in having an eye specialist of the ability and equipment which Dr. Steelman possesses. He is as well known in Tropico as in Glendale and has many patrons here who pay the highest tributes to his skill. These morning appointments will be a great convenience to all who have need of his services.

Mr. Rendina has one of the most attractive barber shops in this part of the country. Electrical scalp treatments are a specialty.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

PROCEEDINGS OF BOARD OF TRUSTEES

All members of the Board of Trustees were present at the regular Tuesday evening meeting, and the following officers: City Clerk, City Attorney, City Marshal and Health Officer.

Fire Hydrant Bills

Written communications read by the City Clerk included a letter from Mr. Arthur Campbell, Superintendent of the Water Company, transmitting bills for fire hydrant service at \$76.50 per month for the months of November, December, January and February, stating if no action should be taken at the next meeting of the Board, the matter would be turned over to the legal department. Later in the session, after discussion in which members declared against the injustice of the bills in view of the service rendered, a vote was taken instructing the finance committee to approve the bills and the City Clerk to have warrants drawn for same, because under the ruling of the Railway Commission the city is liable and cannot avoid payment.

Ivanhoe Bridge

A letter from the Los Angeles City Council was read, in acknowledgment of Tropico's communication, giving assurance that the Ivanhoe Bridge matter is being pushed and only awaits the recording of certain deeds.

Delinquent Taxes and Penalties

A letter from the Board of County Supervisors reported on the hearing before that body on the refunding of delinquent taxes collected by the County Tax Collector for cities of the county and not turned back to those cities. The letter stated that County Counsel reported "there is no question but that the cities are entitled to their share of the penalties and that the county should make the apportionment." The letter stated further that the apportionment had been ordered but could probably not be made before the next fiscal year, beginning July 1st.

Vegetable Market Building

Under the call for oral communications Mr. Wesley Bullis made a

strong protest against the building recently erected for a vegetable stand between Central avenue and San Fernando on Tropico avenue, for which no building permit had been issued. Considerable discussion followed, the attorney ruling that it violated Section 19 of the Building Ordinance if put up without a permit. On motion of Seal the Board voted to postpone action on Mr. Bullis' protest for one week pending investigation.

Tropico Designation

Mr. Muhleman appeared before the Board on behalf of the Chamber of Commerce asking that the word "Tropico" in large letters be placed on the City Hall. Action was deferred until later in the session when the matter was referred to President Peters with power to act.

Christian Endeavor Signs

Mr. Wilson of Glendale asked the privilege of placing temporary signs at prominent corners directing automobilists to the meeting place of the Christian Endeavor Convention to be held March 16th. He was told that the Board would put no obstacles in the way of such placarding.

Weed Law

In re weed legislation City Attorney Shaw reported that the State weed law, which authorizes municipalities to remove weeds and assess the cost against property owners, in his opinion meets the needs of the case and can be satisfactorily enforced.

Palmer Avenue Ordinance

He submitted an ordinance changing the name of Moore avenue to Palmer avenue, which was read by the City Clerk, and on motion of Henry declared read for the first time.

The City Attorney also discussed the draft of a building and fire district ordinance which he pronounced too voluminous. The amendment of ordinance No. 44 was suggested but by general agreement the matter went over to a later date.

Fire Siren

Under the head of unfinished business the question of purchasing a fire siren was brought up. Marshal Gould stated the manufacturers would install one on trial and he was instructed to have it placed in time for the next meeting.

Railway Tower

The moving of the tower at the S. P. tracks at Brand and San Fernando came up, and the City Clerk was in-

structed to write a letter to the City Council of Glendale asking what amount they are ready to contribute to the cost of moving same. As it is a part of the improvement of the boulevard which will shorten the route to Los Angeles and benefit Glendale as much as Tropico, in the opinion of the Board that municipality should share the expense. Mr. Peters figured that when completed, the saving in gasoline to every auto owner who makes the trip daily, would amount to \$1.80 a month.

Tropico's Shelter Station

President Peters set forth the detracting effect of the Shelter Station as now placed in front of the City Hall and stated that C. C. Chandler had expressed a willingness to have it moved to his property line at the northwest corner of Tropico and Brand. Moved by Henry that the City Clerk be instructed to write a letter to the General Manager of the P. E. requesting the removal of the shelter to the corner indicated. Carried.

Demands

Demands were approved and ordered paid as follows: Newton Elec. Co. \$13.64; City Towel Supply \$3; Southern California Gas Co. \$18.37; four demands from T. G. & T. Co. Water Dept., for fire hydrant service for Nov., Dec., Jan., and February for \$76.50 each.

The Board then adjourned.

EXCLUSIVE TURKISH BATHS

The distinct want which has been felt by women for Turkish bath parlors properly conducted, well managed and conveniently located, has been met by the baths recently opened at 130 East Fourth street, Los Angeles, by Mrs. Emma Lenhouts. The Sentinel's editor inspected the establishment recently and has the testimony of women patrons from Tropico that it is all and more than is claimed for it by the management. There is a fine cold plunge, and fifty private rooms provide accommodations for those who wish to remain for the night after a bath. As before stated, it is exclusively for women.

Mr. Curl, of the Tropico Feed and Fuel Co., received word Friday morning by telegram that his father was dying, and left at once for Cardington, Ohio, his father's home.

HOUSEHOLD GEMS

White spots on varnished surfaces can be removed by sprinkling with sal soda. After allowing it to remain a few minutes rub with a cloth saturated with kerosene oil.

Fumed Oak furniture that has a shabby appearance can be renewed by applying Dutch Polishing Wax with a soft cloth. Other highly polished surfaces like automobiles and varnished furniture can be renovated with the same wax and in the same manner.

Ink stains can be removed from floors with a paste made of chloride of lime. After allowing it to remain on the spots for a few minutes, until nearly dry, scrape off and wash with luke warm water.
